Subject: Re: Innovations In Chemical Risk Assessment Weekly Meeting

Great minds think alike.

There is interesting convergence among the comments though – that’s good to see.

As a quick follow up, the order in which the key messages appear in the document are the order in which I received them. It’s not in order of anyone’s preference for the messages. Just wanted to clarify, since I know we’re sometimes a competitive group!

Thanks for sending comments on the table along with your proposed key messages for the paper.

I've attached two documents for discussion at our meeting tomorrow:

1. <!--[if !supportLists]--><!--[endif]-->The draft outline with a compilation of the key messages you've sent
2. <!--[if !supportLists]--><!--[endif]-->The table with a few suggested edits from Mary and Rusty.

Thanks,

Kacee Deener, MPH
